		<p>using non-threatening activities such as sports and arts</p> <ul style="list-style-type: none"> • Deliver two targeted children and young people's 'listening events' • Deliver two targeted family 'listening events' that will engage and support families who have experience of recovery • Offer direct 1:1 support for children and young people where issues are identified through these events • Consult and support children and young people onto other relevant supports/programmes • Organise and support two networking events for partner agencies to map out existing provision • Develop/enhance current referral pathways agencies • Complete 10 small 'tests of change' <p>Develop a model of practice that will demonstrate evidence of improvement for children, young people and their parents on their recovery journey 'Sharing Our Findings' event with partners and the local community</p>	<p>grahame.cooper@actionforchildren.org.uk</p>
<p>Action for Children: Eilean Siar Street Project Western Isles</p>	<p>Western Isles Stornoway</p>	<p>The Eilean Siar Street Project aims to work with up to 25 young people each weekend offering street support and linking them into follow on support. As part of early intervention alcohol and drugs, the project hopes to raise awareness of substance misuse in the targeted community. The project will run organised activities on a monthly basis to give young people something to aim towards and divert away from substance misuse. We will also open up a venue for young people to come to when other facilities are closed, young people will be able to safely discuss any concerns they have about substances.</p>	<p>Valerie Russell 01851 705080 Valerie.russell@actionforchildren.org.uk heather.crosbie@actionforchildren.org.uk</p>
<p>Addaction: Intensive Family Plus</p>	<p>East Dunbartonshire</p>	<p>Intensive support for families affected by parental substance misuse. Supporting families in their own home to ensure the safety and well-being of their children. There will be a mixture of practical support around parenting, health, housing, benefits and integration into local communities and interventions to address addiction issues. We will also support pregnant women, educating them on the impact of substance misuse on their unborn babies</p>	<p>Christine McCauley 0776 075 5735 c.mccauley@addaction.org.uk</p>

Organisation: Project	Area Covered	Outline of Work	Contact Details
		and ensuring they attend ante-natal and relevant health appointments. The service will work closely with health and social work agencies within East Dunbartonshire.	
Addaction: Intensive Family Support	Renfrewshire	Intensive support service for families affected by parental substance misuse. Aim of the service is for more children to remain at home with parents who are sustaining their recovery from drug/alcohol use. Service will operate over 7 days, offering addiction specific interventions as well as a range of practical support. Working with families in their own home and community helping them to take small steps to make positive changes.	Christine McCauley 0141 221 3382 0776 075 5735 c.mccauley@addaction.org.uk
Barnardo's: Hopscotch (Mentoring)	Perth & Kinross	The project will develop a targeted mentoring service to provide intensive support to young people aged 13-18 years in Perth and Kinross who are affected by parental substance misuse. Many vulnerable young people require more specific support to enable successful transitions through secondary school and into adulthood. For vulnerable young people, a mentor can provide social support and can reduce social isolation during the transition to independence. This service will work with young people to encourage and support learning, developing goals around their interests and abilities. It will provide an appropriate supporting model to young people, to help them make informed choices in relation to education, employment, health and relationships.	Julie-Anne Alexander 01738 472 270 julianne.alexander@barnardos.org.uk
Barnardo's: Hopscotch (Change Is A Must)	Perth & Kinross	To reduce the impact of parental substance misuse on children and young people and improve the mental health and wellbeing of both children and their parents through a Locality Focused Partnership Service.	Julie-Anne Alexander 01738 472 270 julianne.alexander@barnardos.org.uk
Barnardo's: The Connect Project	East Ayrshire	Barnardo's Connect Project will work with young people aged 11-18 years who live in East Ayrshire. They will have come to the attention of police or hospital A + E departments and be considered at risk in relation to alcohol/drug misuse. This early	Linda Nisbet 01563 530646

		Life Stages programme has been introduced by West Lothian Council with the aim of enabling a significant positive change to occur in the individuals, families and communities in most need.	Maureen.trumper@circle.scot
Clued Up Project	Fife	Clued Up provides a comprehensive “youth friendly” drug/alcohol support and information service for young people under 25 in the Fife area, also targeting the wider issues of general well-being and lifestyle. The project provides education, prevention, early intervention and diversion for young people affected by their own or someone else’s substance use. It does this by providing various services and interventions, which include informal one to one support; group work programmes; Alcohol Brief Interventions and a specialist Employability Service for 16-25 year olds.	Laura Crombie 01592 858248 info@cluedup-project.org.uk
Creative Therapies: Kinship Care Support	Glasgow	The Kinship Care project will provide art therapy for children and young people affected by parental substance misuse and living with Kinship carers. The project will be based in the north of Glasgow.	Sophie Pragnell 0141 342 4444 info@creativetherapies.co.uk
CrossReach: Sunflower Garden Project	Edinburgh	Improves the lives of children & young people aged 5 to14 (P1 to S2) affected by alcohol & drugs misuse in their families, within the city of Edinburgh. Children & young people are offered a range of one-to-one and group work opportunities ranging from support to intensive therapeutic interventions. Outcomes are demonstrated through building resilience, improving self-esteem & confidence, and helping children to find ways of coping with their situations through expressing and managing their worries, feelings and fears. To drive the continual development and improvement of the service a children & young people’s advisory group will be supported and facilitated, using a Peer Mentoring Approach.	Ruth Kirkpatrick 0131 225 1054 ruth.kirkpatrick@crossreach.org.uk
Drugs Action: Families First	Aberdeen City	Families First is a well-established dual-agency service which incorporates the strong partnership between Drugs Action and Aberlour Child Care Trust. Working in partnership with families we provide a comprehensive, holistic approach for children and young	Catherine Govan 01224 577120

Organisation: Project	Area Covered	Outline of Work	Contact Details
		people (0-13 years) affected by parental substance use, their parents/carers and extended family. Our early intervention approach aims to provide support regarding drug use, parenting and lifestyle skills to promote recovery for the whole family.	catherine@drugsaction.co.uk
East Ayrshire Carers' Centre: Young Adult Carers' Project	East Ayrshire	To provide greater opportunities to access education, employment and training for young adult carers whose lives are affected by substance misuse. To help them balance this with their caring role.	Fiona Robson 01563 571533 fona.robson@eastayrshirecarers.org.uk
Edinburgh Young Carers: Edinburgh Young Carers' Project	Edinburgh	Edinburgh Young Carers' Project will support young carers aged 5-20 who care for a parent(s) with problematic drug and/or alcohol use. This support is not time limited and aims to reduce the impact and disadvantage experienced by the young carer and to help them to maintain good mental and physical health.	Margaret Murphy 0131 475 2322 margaret.murphy@youngcarers.org.uk
Health Opportunities Team: Alcohol & Drug Project	Edinburgh City	To reduce the impact of parental substance misuse and substance misuse on 27 children and young people in the Liberton/Gilmerton and Portobello/Craigmillar area. We will do this by increasing support for these young people (therapeutic 1:1 & group work support together with linking them into our other established services and other services). We will also provide training for 30 professionals who work with children and young people who are looked after away from home. We will focus on reducing distress and increasing self-esteem, confidence, emotional resilience and use of positive coping strategies for these young people affected by their own or parental substance misuse.	Avesha Dewolfe 0131 468 4600 avesha@health-opportunities.org.uk
Healthy N Happy: Confident Kids Healthy Choices	Lanarkshire	Healthy n Happy Community Development Trust is a charitable organisation covering Cambuslang and Rutherglen in South Lanarkshire, just outside Glasgow. Their purpose is to provide local communities with opportunities to take an active part in improving lives and ensuring their own and their family's health and	Joy Mitchell 0141 646 0123 joy@healthynhappy.org.uk

Organisation: Project	Area Covered	Outline of Work	Contact Details
		<p>wellbeing. The Confident Kids – Healthy Choices programme will focus on reduced incidence and effects of alcohol and substance misuse on children, young people and families in the local area. A range of activities and approaches will be used as a way to engage with families, encourage participation in group programmes, individual parenting support, family projects, signposting to intensive support if required, encouraging uptake of local volunteering opportunities and integrating into community life.</p>	
Impact Arts: The Young Gallery	Glasgow	<p>Impact Arts Young Gallery is a unique project based in the East End of Glasgow which develops and exhibits work with children under 12, addressing various social needs and issues throughout the process of conceiving, making and exhibiting work. The project engages with schools, nurseries, youth groups and community groups throughout Glasgow. Impact Arts' PDI project will identify children throughout its programme that would benefit from additional Arts Therapy interventions, and provide 1:1 art therapy for children who have experience a range of issues caused by the negative effects of substance misuse.</p>	<p>Rob Gallagher 0141 575 3001 rgallagher@impactarts.co.uk</p>
Liber8: Youth Service	Lanarkshire	<p>The mission of Liber8's Youth Services, is to limit the damaging effects of alcohol/substance misuse on the individual, families and the community by providing a range of services. Our aim is to promote and encourage safe and sensible attitudes towards alcohol consumption and or substance use, linked to healthier lifestyles for all and thus reduce alcohol/substance misuse related harm.</p>	<p>Margaret Halbert 01698 825 114 mhalbert@liber8.org.uk</p>
North United Communities: The Milton Hub	Glasgow City	<p>The aim of North United Communities is to reduce the impact of drug and alcohol issues in the community of Milton. This project is looking to build on the initial engagement undertaken with the community to offer a three-tiered approach to supporting young people and families.</p> <ul style="list-style-type: none"> • Tier one will focus on engagement such as street work and drop-in sessions. These will provide ongoing engagement and 	<p>Jill MacKay 0141 945 1450 info@nucommunities.org</p>

Organisation: Project	Area Covered	Outline of Work	Contact Details
		<p>relationship building within a safe and supportive environment.</p> <ul style="list-style-type: none"> • Tier two looks to develop these relationships and provide more intensive support through more structured group activities and one-to-one support, based on the needs of the individual. • Tier three will develop working relationships with other agencies to help young people access the appropriate support services. 	
Quarriers: Carers Support Service	Moray	<p>Quarriers Carers Support service provides support to unpaid carers of all ages across Moray. The young carer team within the service support young people living with family illness, disability or substance misuse.</p> <p>Funding from Lloyds PDI enable the young carer team to provide direct support to young people affected by their parental substance misuse in their own right. Exploring their situation and supporting them to understand addiction and recovery. They are encouraged to be young people first and foremost, engage in activities and interests and have the opportunity to meet others in a similar situation. Support integrated with school and children and families where relevant to remove or reduce their caring responsibilities. Support is linked with the Arrows service where possible to incorporate whole family holistic support and steps to recovery.</p>	<p>Sandi Downing</p> <p>01343 556 031</p> <p>carersmoray@quarriers.org.uk</p>
Quarriers: Arrows	Moray	<p>Arrows is an integrated Drug and Alcohol service commissioned to support adults to address their problematic substance use and promote their recovery. Arrows provides a structured recovery program, peer support and facilitates community links alongside a range of therapeutic programs and supports.</p> <p>Integrated with the direct support for adults, Arrows are funded by Lloyds PDI to provide support to children and families affected by another's substance use.
