

Grants released in the period 1st April 2024 to 31st March 2025

We have detailed in full the grants paid out to charities during 2024/25.

Please note that these grants will not necessarily have been granted by the Trustees in the period and may relate to grants made in previous years. This is because Corra often makes grants with conditions attached and will not release monies until the conditions have been met. Commitments made during the year which have not yet paid out have not been included in this list. This is summarised for your information below:
