

# YOYO

## You're Only Young Once!

### What's the YOYO Fund?

It's a pot of money (up to £10,000) to help groups run meaningful projects for children, young people (up to age 26), and families affected by alcohol or drugs. The fund was shaped by young people – so it's all about **real voices**, **real change**, and **real impact**.

## What kind of projects can get funded?

---

If your group has been helping young people and families for at least **2 years**, you can apply! We're looking for ideas that:

- Help young people **speak up** and be heard.
- Bring people together – think events, trips, creative stuff.
- Support young people to **lead, plan**, or **influence** things.
- Make sure **everyone feels included**, especially those who don't usually get a say.

## What can the money be used for?

---

You can use it for things like:

- Staff time (not training)
- Travel and food
- Venue hire
- Materials and equipment (not fixed stuff)
- Activities and events
- Youth-led training or certificates

## What can't be funded?

---

Sorry, but the fund **can't** pay for:

- Building repairs or construction
- Projects that happen in schools
- Giving out money to individuals
- Emergency help like food vouchers or furniture
- Holidays or breaks for families
- Staff training

## Who decides?

---

A group of young people with lived experience of alcohol and drugs will choose which projects get funded. They want to see ideas that are **led by the people they're for**, and that make a **real difference**.

## How do you apply?

---

- Complete the eligibility checker and fill out the online form.
- You should send a **video or audio clip** to explain your idea – just keep it clear and simple!
  - Say what you'll do
  - How young people will lead it
  - What will change because of it

## What happens after?

---

### If you get the funding:

- You'll have a quick check-in after 3 months
- Then write a short report at the end of the year
